### 3.0 OLD BUSINESS

### 4.0 NEW BUSINESS

#### 4.1 President

##### 4.1.1 February (Free Food x Calumet)

- Excellva Addow shared that Calumet College would like to collaborate with Vanier for a free food event and any other community event.

##### 4.1.2 Tentative Black History Month Collab with Calumet

- Excellva Addow lets the council know that Calumet would like to collaborate for any black history events we may have. There will be a meeting to discuss what a collab may

look like and any and all updates would be shared with the council.

#### 4.1.3 Trivia with other Colleges

- Excellva Addow suggests having an intercollege Trivia event to cater to the demographic that is interested in Trivia events as well as collaborating with other colleges is always fun. An email has been sent out to all the other colleges. Tentative dates are in February to cater for the 15 business days TUUS needs.

#### 4.1.4 Blue Mountain Updates

- Excellva Addow lets the council know that sales have been great for Blue Mountain. The cost may be slightly higher than anticipated but is excited to have as many people interested in the trip

#### 4.1.5 Constitution Meeting

- Excellva lets the council know that there should be a constitution meeting coming up soon. Please send in any changes to the speaker email as soon as possible. It is important that the constitution is updated as we are not in compliance with the Regulation for Student Councils.

### 4.2 VP Academic & External Affairs

#### 4.2.1 LinkedIn Headshot Event Breakdown

- Teija Charles shared her plans for her upcoming event and what's to be expected: the event will take place in the back office, council members will be assigned to the different stations based on availability and experience, each client will be given 10 minutes, and they will receive their pictures via email between 2-3 days, as she is more comfortable with this route. Teija also informed us that The Student Council of Liberal Arts & Professional Studies (SCOLAPS) would like to collaborate for this event and opened the floor to ideas and opinions mainly on the limited spaces available for each client's headshot.
- Tenda Kiggundu added cutting down the time span allotted for each person during their session, but she worries about the impact in experience it will have on each person. Teija noted this suggestion.
- Excellva suggested extending the event by an hour to allow more persons invited from SCOLAPS to participate. Teija agreed and added an additional hour to her event.

### 4.3 Director of Outreach

#### 4.3.1 Krispy Kreme Donut Sale in Central Square (January 21<sup>st</sup>)

- Sofia Savoiaro reminded members of her upcoming event and added that there has been an additional location in Vanier lobby due to the number of boxes purchased as well as there will be an optional raffle taking place where a customer can win a gift card.
- Excellva asked for clarification on the raffle process: the form includes the customer's name, email and the number of items they purchased (Sofia will insert the number of items herself)

#### 4.3.2 Tabling for Donut Sale Availability

- Sofia asked members who did not fill out their availability to please do so as
